Teachers	Parents are encouraged to meet with the teachers, after class. Get to know them and exchange telephone numbers and e-mail. Keep in touch for attendance and class rituals. Do not leave messages, if it can be helped.

Timeless
Tagore

India School and the Asian heritage Society commemorated Rabindranath Tagore's 150th Birth Anniversary on his original birthday, May 7th 2011 with a salute to his work, and so began an intensive period of work, research and choreography carried over the summer in Winnipeg, culminating in the production scheduled for Saturday Oct. 22nd 2011 at 7:00PM. The show will feature guest artists from Toronto and our dance students, remembering India's Shakespeare and Nobel Prize Winner. Tickets will be available at the door at 479 St. Mary's Rd.

Adults 10.00, seniors and Youth \$7.00.

Financial Assistance for this project was received from Citizenship and Immigration Canada.

Performance

India School received several invitations to perform all over the community and Province. All letter or e-mails are prioritized and dealt with by the Dance or Music Rep. It is important that all telephone calls are followed by official written requests, if we are to respond on a first come first serve basis.
